PRC

Pacific Region Conference

November 29th and December 2nd

We are headed to Seattle, Washington. PRC is a 70+ year tradition that has brought teens from the regional area (and sometimes farther) together in order to talk openly in a caring, supportive environment about issues that impact them. This year's theme is "Discover U" in order to give participants an opportunity to discover their "gifts" and what to do with them. All while expressing their own unique selves. If you have any questions or interests about PRC feel free to e-mail Mark at mark.barron@siouxyymca.org

GIYS

April 26th to 30th of 2020

The Sioux Y is hosting the second annual Global Indigenous Youth Summit. With a representation of 7 Tribes and 3 Countries, the Sioux Y was thrilled with the outcome. The goal this year is a representation from more countries and tribes. The objective is to gather and share cultures, celebrate them, and immerse ourselves with open eyes and hearts. The 3 focuses of the summit are, Climate Justice, Health of the Body and Mind, and Employment. If you are interested in representing, presenting, or being on the planning committee please e-mail Bri at bri.black@siouxyymca.org

Ask the Staff

Q: Bri, what are you looking forward to the most?

A: I am really excited to get more volunteers to the Sioux YMCA. We are lucky for the ones we do have, I just think more people should experience what it is like here at the Sioux Y and on the Cheyenne River Sioux Tribe Reservation. **I have fallen in love with it, so there is no reason not to spread the Lakota culture all across the World.**
